Patient Centered Medical Home Appointment Checklist:

- Make sure to bring your “*New Patient*” packet with you to your appointment. Be sure to include the *names, addresses and phone numbers* of other health care providers you may have visited in the past. *Pediatrics Middleburg/ Normandy* functions most effectively as a medical home if patient provide a complete medical history and information about care obtained outside the practice.
- Make a list of all your health care questions. Please place the most important *questions/concerns* at the top of the list. Your provider may not be able to address everything at the first visit, but will *prioritize* based on your current health and medical conditions.
- Bring a list of all your medications, in their original containers to your appointment. Be sure to include *prescriptions, over the counter, natural and herbal, medicines and vitamins.*
- Bring your current **insurance card(s) and guardians photo ID** with you to your scheduled appointment.
- Plan to *arrive at least 15-20 minutes prior to your scheduled appointment time* to complete the new patient check-in process.
